2. SPECIAL PRICE LIST

2.1 PRICE FOR ALONG SIDE MOORING
2.1.1 Alongside mooring of a vessel can be performed after relevant approval of the Tourist Port Administration, which is exclusively competent to take such decision, and is charged with an additional 100% over the General Berthing Price.
2.2 PRICES FOR SHORT TERM BERTHING
Short term berthing is considered to be the berthing of vessels for a time period shorter or equal to ninety (90) consecutive calendar days. For a short term berthing, the daily fee is equal to the 1/365 of the annual berthing fees of the vessel, according to its length in meters, increased by 95% for every day of berthing.
2.3 PRICES FOR NON CONVENTIONAL VESSELS
Berthing rights for vessels having more than one hull (MULTI HULLS) or other types with similar features that modify the conventional length to beam ratio, are increased by an additional 100% over the General Berthing Price. Non-conventional Vessels are those with a B / L ratio, where B is the beam (maximum width) and L the maximum length of the Vessel, over: (i) 0,40 for vessels of an overall length of up to 10 m. (ii) 0,35 for vessels of a length of 11 to 15 m. (iii) 0,30 for vessels of an overall length of 16 to 25 m., and (iv) 0,22 for vessels of an overall length of 26 m. or more.
2.4 PRICE FOR MINIMUM BERTH FEE
Yachts with Length Over All (LOA) less than 15m are charged for LOA 15m (minimum charge).
